Psychologist

Discovering Strength is an assessment and support service for children and adolescents with additional needs (we also provide services for adults). We are based in Melton but also do outreach work in homes and schools.

We are looking for an experienced Psychologist to join our team. Employment will commence as soon as practicable and will be casual to start with, but we would be happy to move towards permanent part-time/full time once your case load increases. To be considered, you must have current full registration with AHPRA and have experience working with ASD, learning difficulties and behavioural issues. Administration of the ADOS is highly desirable. You will also need to complete a national police records check, have a Working with Children Check (for Employment) and be registered as a Medicare Provider.

Please [visit our website \(www.discoveringstrength.com.au\)](http://www.discoveringstrength.com.au) to learn more about what we offer to our clients, and to download the position description.

If you are interested in this exciting opportunity and are thinking of working in private practice, please forward your resume (including a brief profile) to Denise Cran, Principal Psychologist/Director, at denise@discoveringstrength.com.au, or for a confidential discussion please phone Denise on 0417 543 644.

- Applications will be reviewed as they are received.
- All applicants will be advised of the outcome.
